

NAHPERD EBLAST

SPRING 2010 EDITION 3

PRESIDENT'S MESSAGE

Wow where has the year gone? It is spring time and we are on the downward slide of this school year! I hope everyone has experienced successes in your programs and have grown throughout the year. If you haven't already I challenge you to try at least one new lesson with your classes. The first run of the new lesson may not go as smoothly as planned, but in time the kinks will work out~ and you will have it down. The kids love new exciting things! Change is good~ If you do find a GREAT LESSON – please share it with others. Email it to me and I can publish it in the NAHPERD e-blast journal! It is that time of the year to start planning for next year. Below I have outline the way the board works. We have bylaws and a constitution on the website if you want more precise outline - but I have simply detailed the positions for you.
