Thank you for your professional NAHPERD membership. As president, I hope you realize the benefits you receive from being a member.

This year, we held the NAHPERD state conference which many of you attended in October. I hope you found it to be educational and informative. I have read each of your comments and I do appreciate your thoughts and will relay this information for the next Northern Conference. This year we have held five mini workshops including recertification credit which included the following:

North members were given the opportunity to apply for JRFH grants in the amount of \$200.00. Congratulations to Tracy Wolf who was a winner. North NAHPERD members who held Jump Rope for Heart events were entered into a drawing for great prizes. The winners this year are

I hope that this year you have had the chance to collaborate with other professionals that share the same enthusiasm and passion for students in our schools in terms of health, fitness, and nutrition. The state conference for 2010 – 2011 is tentatively scheduled for November 2nd in Las Vegas, Nevada. The north will plan on hosting another all day conference in the fall and hold mini conferences and workshops throughout the 2010 – 2011 year. Please consider renewing your NAHPERD membership in August. I have attached the 2010 – 2011 registration form. Also, if you could do the attached survey and get it back to me, I would very much appreciate it. In order to get you what you want in a professional membership, I need to know what you want more or less of.

Again, I thank you for your professionals and look forward to working with you in the future.
